

TekCharge™ MP2250

MOBILE POWER
for CRADLEPOINT TRAVEL ROUTERS
MP2250

Stay connected anywhere!

TekCharge™ MP2250 is an efficient lithium polymer battery that significantly extends the use of CradlePoint portable routers (model numbers CTR500, PHS300 and CTR350) on the go. This lightweight, rechargeable battery will power and charge CradlePoint travel routers, as well as many other 5V devices.

For easy transport, the battery includes brackets designed specifically for mounting the battery to one of these routers, the adapter tip for connecting to the router's power jack, and a bridge tip that enables connection of adapter tips required for use with other 5V devices. Additional adapter tips are available at the Tekkeon Store at www.tekkeon.com.
