**Portable USB Power Adapter with Tips Charges  
iPhone, iPod and Mobile Phones  
myCharger Includes Adapter Tips to Charge Multiple Devices**

*Tustin, CA—July 2, 2007*—Tekkeon announces myCharger™, a portable USB power adapter with retractable prongs and several adapters, for charging iPhone, iPod and many popular mobile phones at home or while traveling.

myCharger can be used with the USB power cord from any small mobile device, or with any of the included adapter tips that enable connection to most models of:

- iPhone (uses iPhone/iPod USB cable)
- iPod (uses iPhone/iPod USB cable)
- Blackberry
- LG mobile phones
- Motorola mobile phones
- Nokia mobile phones
- Samsung mobile phones
- Sony Ericsson mobile phones

Optional adapter tips are available for other 5V devices including Bluetooth headsets, digital cameras, other mobile phones, MP3 players, PDAs, portable games, and portable media players. An optional travel pack includes interchangeable international plugs for use abroad. Tekkeon provides a list of compatible devices on its web site at [www.tekkeon.com](http://www.tekkeon.com).

“Rather than carry a power adapter for each device, myCharger lets users carry a single power adapter with a few tips,” says Jerry Yang, president of Tekkeon, Inc. “And myCharger is produced with high

quality components to regulate the output voltage and current to ensure optimum charging conditions for the device battery.”

The myCharger package includes:

- myCharger USB power adapter
- Retractable USB cable
- Mini USB adapter tip (for Motorola, Blackberry and more)
- LG adapter tip
- Nokia adapter tips (2)
- Samsung adapter tip
- Sony-Ericsson adapter tip

The MSRP for myCharger is \$24.95. myCharger and other Tekkeon products are available through retail and major on-line stores including B&H Photo Video, Buy.com, DataVision, eCOST.com, Mobile Planet, Shop4Tech, and Tiger Direct, and from the Tekkeon store at *www.tekkeon.com*. myCharger comes with a one-year limited warranty.
